

RISK BENEFIT ASSESSMENT

Activity:	Noise	Date:	January 2020
Assessors:	Pete Harrison, Ben Wire & Rob McGurk	Review date:	January 2021

Benefits: Giving our guests the opportunity to stay in and enjoy a traditional French chateau.

Risks: See below.

Accessibility: Our senior staff will ensure that medical notes for visitors are checked and understood prior to arrival. Our staff are aware of various inclusive strategies and will endeavour to meet the needs of all our guests.

Hazard	Who is at risk	PRECAUTIONS in place to reduce the risk of injury
Unable to hear safety instructions clearly on activities	ALL	Instructors trained in how to give a safety talk; regular observations by senior staff.
Unable to hear group leader instructions on excursions	ALL	Appropriate group leader training.
Unable to sleep at night	ALL	Ensure guests are aware of code of conduct regarding bedtimes and noise after 10:30pm. Liaise with party leaders on a daily basis to ensure sensible bedtimes and dorm patrols, and noise management between schools.
Unable to hear general instructions	ALL	Appropriate training, monitoring, and max numbers per group are limited.
Ear damage due to excessive noise in disco area	ALL	Large hall so children do not need to stand right next to speakers, speakers located at back of stage. Children able to leave disco area to take a break.
